

CASE STUDY - WILLIS GROUP

“Having worked with KMB since 2012, we would have no hesitation in recommending their services, they have an excellent understanding of our market place and the results speak for themselves.

Our Account Manager is very proactive in keeping us up to date with the progress of our projects and the insights about the calling results. The information they feed back on data provided once a project is completed is second to none and this aids in our future marketing activity.”
